Helping the Army protect Mother Nature	27
Back box—Oil from blooming algae	32

Ecos describes CSIRO research findings of relevance to our environment. Related findings by other bodies are included where necessary to give perspective to CSIRO work.

Stories are based on reports, published research papers, and information obtained by interviewing scientists.

Technical inquiries should be sent to the CSIRO Divisions concerned. All other correspondence should be addressed to: Senior Writer, *Ecos*, P.O. Box 225, Dickson, A.C.T. 2602.

Subscriptions to *Ecos*: \$4.00 a year for four copies, post-free. Organizations with environmental interests may apply to be placed on our free mailing list.

The two quarterlies *Ecos* and *Rural Research* and the bi-monthly *Industrial Research News* are produced by a writing group in CSIRO's Science Branch at Head Office.

Writing group: Brian Woodruff (senior writer), Andrew Bell, Kay Hendy, Brian Lee, Robert Lehane, and James Lumbers.

Editorial assistance: Yvonne Roberts.

Designer: Willem Bloem.

Credits: Australian Information Service, Robin Austin, Peter Cornish, Alan Edwards, Bob Nicol, Ederic Slater, Edwin Stephens, K. J. Symes, Colin Totterdell, Victorian Soil Conservation Authority, Mike Walker. All other pictures came from the scientists and organizations mentioned in the stories. Drawings by David Marshall.
