*Ecos* describes CSIRO research findings of relevance to our environment. Related findings by other bodies are included where necessary to give perspective to CSIRO work.

Stories are based on reports, published research papers, and information obtained by interviewing scientists.

Technical inquiries should be sent to the CSIRO Divisions concerned. All other correspondence should be addressed to: Senior Writer, *Ecos*, P.O. Box 225, Dickson, A.C.T. 2602.

Subscriptions to *Ecos*: \$4.00 a year for four copies, post-free. Cheques should be sent to CSIRO Editorial and Publications Service, P.O. Box 89, East Melbourne, Vic., 3002. Organizations with environmental interests may apply to be placed on our free mailing list.

The two quarterlies *Ecos* and *Rural Research* and the bi-monthly *Industrial Research News* are produced by a writing group in CSIRO's Science Branch at Head Office.

*Writing group*: Brian Woodruff (senior writer), Andrew Bell, Kay Hindmarsh, Brian Lee, Robert Lehane, and James Lumbers.

*Editorial assistance*: Yvonne Roberts.

*Designer*: John Wedlick.

*Credits*: The freelance writer Jane Ford contributed articles for this issue. Pictures came from the Australian Information Service, Department of Capital Territory, Grain Elevators Board of New South Wales, John Shearer and Sons Ltd, Yasaki Corporation, Jack Cavanagh, Ederic Slater, Colin Totterdell, and David Whillas. Other pictures came from the scientists and organizations mentioned in the stories.
