

ECOS

Number 19

February 1979

| | |
|---|----|
| The whale — bleak past, uncertain future | 3 |
| Requiem for the rural gum tree? | 10 |
| Outlook — Can we tap the power in the wind? | 16 |
| Spectrum — Roughage and the heart — Where does the sulphur dioxide go? — Solar house checked out — Solar energy research directory — Learning about Landsat — Fishing the Bight | 21 |
| The problem of disappearing beaches | 26 |
| Back box — Koalas hold on | 32 |

Ecos describes CSIRO research findings of relevance to our environment. Related findings by other bodies are included where necessary to give perspective to CSIRO work.

Stories are based on reports, published research papers, and information obtained by interviewing scientists.

Technical inquiries should be sent to the CSIRO Divisions concerned. All other correspondence should be addressed to: Senior Writer, *Ecos*, P.O. Box 225, Dickson, A.C.T. 2602.

Subscriptions to *Ecos*: \$5.00 a year for four copies, post-free. Single copies \$1.50 each. Cheques should be sent to CSIRO Editorial and Publications Service, P.O. Box 89, East Melbourne, Vic., 3002. Organizations with environmental interests may apply to be placed on our free mailing list.

The two quarterlies *Ecos* and *Rural Research* and the bi-monthly *Industrial Research News* are produced by a writing group in CSIRO's Science Branch at Head Office.

Writing group: Brian Woodruff (senior writer), Andrew Bell, Jeff Culnane, Kay Hindmarsh, Brian Lee, Robert Lehané, and James Lumbers.

Editorial assistance: Yvonne Roberts.

Designer: Brian Gosnell.

Credits: Pictures came from Australian Information Service, Tvindkraft, 'Adelaide Advertiser', 'Sydney Morning Herald', Colin Totterdell, John Green, and Neil Hamilton. Pictures also came from the scientists and organizations mentioned in the articles.
